# Seaford LSC – Strategic Plan

## SEAFORD LSC - STRATEGIC PLAN

MISSION	To prevent aquatic related death and injury within our community		
VISION	That all Victorians will enjoy our aquatic environment through learning water safety, swimming and resuscitation.		
WHY:	<p><b>CULTURE:</b></p> <p><i>Dignity and respect are crucial to building and sustaining an environment in which everyone feels included valued and appreciated. Sometimes it's the smallest things that have the biggest impact.</i></p>		
<p>We work to educate our community to be safe around water.</p> <p>We provide services to prevent people drowning or getting injured.</p> <p>WHO:</p> <p>We are a family orientated club that is open, welcoming and inclusive.</p> <p>We are trained and qualified.</p> <p>We are a club that focuses on the safety of our members and of our community.</p> <p>We operate under State and National standards and guidelines.</p> <p>We provide opportunities for our members to maintain or further develop their health and fitness.</p> <p>We provide a program that teaches skills in lifesaving and teamwork</p> <p>We recognise, reward and provide development opportunities for our members</p>			

HOW:				
Lifesaving Services	Education and Training	Junior Development	Competition	Club Management
<ul style="list-style-type: none"> <li>• Rescue Ready</li> <li>• Promotion of a 'Preventative Culture'</li> <li>• Latest gear and equipment</li> <li>• Provide a lifesaving service that meets community needs and expectation</li> <li>• Skills and experience</li> </ul>	<ul style="list-style-type: none"> <li>• Provide and promote opportunities and pathways in lifesaving to encourage, motivate and retain our members</li> <li>• Provide ongoing leadership opportunities</li> <li>• Provide efficient, relevant and flexible learning opportunities</li> </ul>	<ul style="list-style-type: none"> <li>• Structured team of leaders that contribute to the running of the junior program</li> <li>• Well-developed lesson plans</li> <li>• Actual retention of juniors through the program into the lifesaving pathway</li> </ul>	<ul style="list-style-type: none"> <li>• Offer a range of innovative and responsive aquatic sport programs that promote participation and increase capability</li> </ul>	<ul style="list-style-type: none"> <li>• Protect, manage and promote the lifesaving brand to drive internal and external support.</li> <li>• Provide a well-managed viable and financially secure club</li> <li>• Good governance and risk management</li> <li>• Clear succession planning</li> </ul>

# PRESIDENTS REPORT

Darren McLeod ESM

Welcome to the 2023 – 2024 Annual Report.

Congratulations to all our members who were involved in making the 2023-2024 season a great one for our lifesaving club.

My thanks to the Board of Management team, and all those who have contributed their time and dedication to ensure that our club continues to go from strength to strength.

Thanks to Justin Taylor and **ALL** of our patrolling Lifesavers; thank you to Sam Collins and the training team; well done to the members that completed additional awards; congratulations to all the new patrolling members, and our water safety officers on receiving your Life Saving awards.

Well done to everyone involved in this season's nipper program. A very big thanks to Steve and the entire Nippers team; all age group managers and helpers who assisted with making our nipper program successful again this year.

Thank you to Sheila and her team for all the amazing photos - we all look forward to seeing the weekly snaps - such a great record of the season.

Congratulations to all award recipients at our junior and senior presentation events.

The club is most grateful to all our sponsors, supporters and the State and Federal Governments.

Don't forget to keep an eye on your emails for the Club newsletters, our website ([www.seafordlsc.com.au](http://www.seafordlsc.com.au)) and our social media pages for all the latest information.

Look forward to seeing you all in the coming season.

Darren McLeod

# VICE PRESIDENT / CLUB & MEMBER DEVELOPMENT REPORT

Sean Scott Harvey

Firstly, I would just like to thank everyone at this club and the time you commit from your busy life's to volunteering and serving the community and its people.

As vice-president of our dearest club, it is my pleasure to spend extra time finding ways of making your experience more enjoyable. That could not be achieved without the team of board members that also work hard to improve the quality of our services and keep our family-friendly focus.

## ***Successes and Challenges***

2024 has brought a breath of fresh air to our club and our members. This season marked our second year with 'no restrictions', and without it, fosters a club lifestyle that returns to a family-friendly focus. Like all other volunteer industries and adjacent lifesaving clubs, there are still wounds recovering from the pandemic. We have been making a great recovery with support from our nipper parents/ kids, operational members, training team, club athletes, and LSV.

Improvements 2023-2024 season:

- Increased number of nipper enrolment
- New ATV
- Increasing social functions
- SLSC Survey
- New IRB Motor washout container
- IRB racing season

Ongoing challenges:

- Slow recruitment of operational/ patrol members
- Difficulty rostering patrols
- Outdated website
- Limited attendance on LSV programs

Though some significant challenges persist, we have come a good way from the previous season. Despite the challenges, we are still able to provide adequate protection to our community in addition to improving the quality and experience of our nipper's program. Our patrol members have continued to show adversity despite challenges. Without these incredible people that give a portion of their weekend and sometimes public holidays to support the safety of the people that come to the beach, the club would not be able to provide the nipper program we currently have. In addition to patrols, some of our operational members provide water safety so that our nippers can be safe and supported as they learn fundamental skills.

Nipper Parents and kids are an important pillar of our services. It was great to see more people continue from the previous season, as well as some new members join our club. We hope that you continue to have a good experience with us and for our new members, welcome to the family!

Despite challenging pressures to the cost of living and new circumstances which have raised from/ and after covid19, it has been good to see so many parents engaged in the program and giving their kids vital experience's, teamwork, connectedness, swimming skills, exercise, and more.

Social events have happened more often, and its great to see our small club connect with each other outside of lifesaving. The relationships that we form within the club can lead to long-lasting friendships and build on connectedness, which is an essential component of healthy lifestyles.

These programs could not be improved without the dedication and collaboration of our board members. It has been great this year to see new ideas and ways of refining the quality of experience to our members and our community. These include the continued work for a new ramp for disabled persons to access, purchasing new equipment such as a new ATV and motor washout container, increasing social functions, and the SLSC survey.

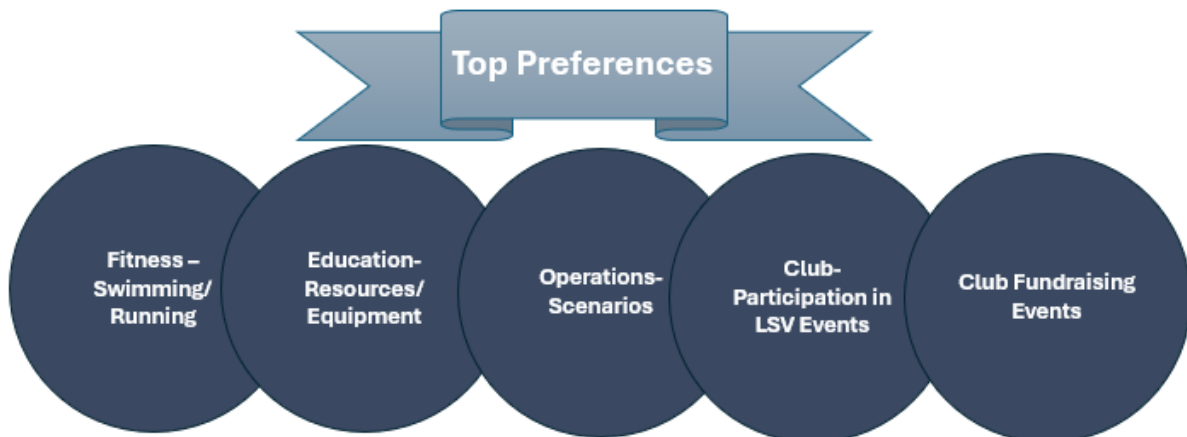

### ***Seaford Lifesaving Club Survey***

The SLSC survey is a brand-new initiative which we hope will improve the quality of service to our members. Despite the satisfaction we see when speaking to our members, there has never been recorded data to show this. Surveys hold significant weight in the support of decision making, showing members how they view the club, and which areas require more focus/ improvement.

This season's survey aims to assess multiple areas:

1. Member preferences for areas of improvement
2. Member satisfaction of our key services
3. LSV values, and how much members agree the club is providing

All the results will be provided in the survey report coming later this year. However, I have some results which are very exciting to share. Some of the exciting results are what our members chose to be an area they would like to see improvement.

The results from this figure have been collated by several selections made by participants of the survey. There was a large list of items which could be chosen from, however the areas that members would like the club to focus on more are fitness (running/ swimming events), education (more resourcing and equipment), operational scenarios, club participation in LSV events, and lastly fundraising.

The table below represents the level of satisfaction our members expressed when asked to rate their experience in the key areas of our club and additionally how satisfied they are overall with the club.

	Average satisfaction	Very satisfied % (n)	Very unsatisfied % (n)
<b>Previous seasons nipper program</b>	Satisfied (3.63)	31.58% (6/19)	10.53% (2/19)
<b>Previous seasons patrol period</b>	Satisfied (3.53)	10.53% (2/19)	10.53% (2/19)
<b>Previous seasons training</b>	Neutral (3.37)	10.53% (2/19)	10.53% (2/19)
<b>Overall club satisfaction</b>	Satisfied (3.63)	10.53% (2/19)	10.53% (2/19)

(Scoring is based on satisfaction rating: very unsatisfied = 1, unsatisfied = 2, neutral = 3, satisfied = 4, very satisfied = 5. Average score is based on overall participant selection of their satisfaction, and if values <.5 they were rounded down and a value >.5 was rounded up. Percentages represent the number of participants choosing the satisfaction rating followed by the number of participants and total number of responses.)

Additionally, the final table below shows LSV values how they are represented within the club by having our members respond to how much they agree/ disagree.

	Average level of agreement (n/%)	Strongly agree (n/%)	Strongly disagree (n/%)
<b>I feel included and welcomed by others at SLSC as a member of the club</b>	Neutral (3.41)	5.88% (1/17)	11.76% (2/17)
<b>I feel respected at the club</b>	Agree (3.59)	11.76% (2/17)	11.76% (2/17)
<b>I feel safe/ my child is safe at the club</b>	Agree (3.76)	23.53% (4/17)	11.76% (2/17)
<b>I feel encouraged to further my development</b>	Neutral (3.06)	5.88% (1/17)	11.76% (2/17)
<b>I feel that our club members are being self-accountable</b>	Neutral (3.35)	5.88% (1/17)	11.76% (2/17)
<b>I feel like the club is developing/ or is providing me with a healthy lifestyle</b>	Neutral (3.41)	11.76% (2/17)	11.76% (2/17)
<b>I feel that I can efficiently and appropriately use SLSC's available resources</b>	Neutral (3.24)	5.88% (1/17)	11.76% (2/17)

(Scoring is based on agreement rating: strongly disagree= 1, disagree = 2, neutral = 3, agree = 4, strongly disagree = 5. Average score is based on overall participant selection of their agreement, and if values <.5 they were rounded down and a value >.5 was rounded

up. Percentages represent the number of participants choosing the satisfaction rating followed by the number of participants and total number of responses.)

Lastly, members were asked to rate how likely they were to recommend the club to others by providing a score which ranged from 1 (very unlikely) to 10 (very likely). It is amazing to see the results from our members.

(Average score: 9.77/10, minimum score: 1, maximum score: 10, number of responses = 22)

### **Onwards**

The club aspires to improve the wellbeing and satisfaction of its members. This season has made significant improvements and has shown that our club members are resilient, connected, and empowering. The survey provides evidence to support that our club means a lot to our members. The results will go towards making our club even better and a place to keep coming back to. As we look forward into the new season ahead, we hope new members join by continuing to provide a warm culture and a reputation of excellent safety around water for its community and visitors.

Best Regards,  
Sean Scott-Harvey

# FINANCE REPORT

It is with pleasure that I present the attached “Not for Profit – Association Report” for Seaford Life Saving Club.

Full year results as per appendix A.

# LIFESAVING OPERATIONS REPORT

Justin Taylor

It's with pleasure that I present the Life Saving Operations Report, as Lifesaving Operations Manager for Seaford Life Saving Club.

Firstly, a huge thankyou to all for supporting our Clubs Lifesaving activities.

The past season has again shown continued growth with meeting our patrol obligations. Lifesaving Operations is responsible to ensure the club fulfills the State based "Patrol Protocol". We must reach minimum requirements and adhere to all Regulations, Standard Operating Procedures (SOP) and Occupational Health and Safety (OHS) requirements.

We had a successful patrol season and met our commitments to Life Saving Victoria (LSV). However, we still have the challenge to increase our patrol numbers and key awards to help spread the load across our valued volunteer base.

I would like to thank all our volunteers (and family support) that helped us keep Seaford beach safer by offering time to patrol, every patrol hour helps and is much appreciated.

## **Patrol Outcomes/Achievements:**

- 1506 volunteer patrol hours
- 2 rescues recorded.
- Beach attendance ~25102 (during patrol times)
- ~414 preventive actions

## **Patrol members with >100 patrol hrs**

- Peter Stones

## **Outstanding patrol hrs recognition: (>60hrs), not in order of hrs:**

- Darren McLeod, Glenn Watson, Sam Collins, Scott Collins, Lisa Hoysted, Stuart Littler and Justin Taylor

## **Patrol Captains:**

In order to help manage our patrol obligations and standards, I would like to thank our Patrol Captains: **Glenn Watson, Craig Goudy and Lisa Burton.**

## **Operations support roles:**

- Lisa Hoysted, thank you for looking after our first aid and general patrol equipment
- Peter Stones, thank you for overseeing IRB and ATV equipment maintenance.

**Training:**

- Thank you to Sam Collins in the role as Training Manager, with the support from Peter, Berny, Darren, Glenn, and myself. We are moving in the right direction.

**Patrol Award 2023/2024****Patrol Encouragement Award**

- Littler Family (Stuart, Ruth and Sarah)

**Seaford Trophy “Outstanding Contribution to Patrol/lifesaving over the season**

- Peter Stones

**Ray Flack “outstanding contribution to patrols” or “TEAM of the Year”**

- Team “D”: Lisa Stanfield, Terry Mealor, Lilly Mealor, Pepper Smith, Grace Mills, Scott Collins, Peter Stones, Bronwyn Leaks, Tania Mills and Karyn Scott

**Future Planning:**

- Potential enclosing of gear shed north side of club to accommodate equipment requirements (In discussion)
- The successful VESEP Grant has allowed us to upgrade to a new Kawaski Mule for marginal out of pocket cost

Our goal is to continue growing the patrol base and encourage new awards to be completed to ensure patrol groups become self-sufficient. The off season is generally when new awards are obtained, so if interested in expanding your award portfolio please contact Sam or your patrol captain.

Notes: The IRB Racing Team has continued to grow and now includes Seaford, Frankston, Carrum, and Aspendale lifesaving clubs. Great results achieved (refer to other reports).

I would like to thank the Seaford LSC board of management for the commitment to our patrol obligations and the support shown by agreeing to provide and maintain quality lifesaving rescue ready equipment.

**My personal thank you to everyone that has provided their voluntary time to make Seaford Lifesaving Club what it is today.**

Regards,  
Justin Taylor  
Life Saving Operations Manager – Seaford LSC

## 2023 – 2024 PATROL HOURS & WATER SAFETY HOURS

Name	Hours
Josh Harvey	4.75
Shirley Stringer	4.80

# EDUCATION & TRAINING REPORT

Samantha Collins

## 3.5 2023 – 2024 Season

Course ID	Course Type Name	Start Date	Finish Date	Candidates
1959342	Silver Medallion Patrol Captain	19/08/2023	20/08/2023	7
1960755	Bronze Medallion	08/10/2023	30/12/2023	1
1960756	Surf Rescue Certificate	08/10/2023	30/12/2023	4
1964308	Bronze Medallion Bridging	10/12/2023	30/12/2023	3
1984452	Resuscitation	17/12/2023	17/12/2023	5

The above grid confirms the training sessions held at Seaford Life Saving Club in the 2023/2024 season. We had a strong group of trainees this season who contributed to water safety and patrols throughout the year. As a result we saw one of the most successful nippers programmes in a while and this was due to the high level of water safety volunteers. We delivered our first bridging bronze session, which we will continue to offer each year in addition to new awards. This is for SRC's who wish to upskill and become full Bronze medallion holders, without having to complete the whole unit again. A massive congratulations to our newest award holders who completed their assessment in really tricky conditions and in the company of our resident seal.

Thank you to Peter Stones, who helped to deliver training independently, allowing for groups to learn at differentiated times, focusing on the key skills required for their awards. We are also proud that we were able to complete skills maintenance training to 39 returning volunteers, despite the usual weather and water quality challenges.

Just look at these fabulous new recruits. We also want to welcome the Littler family who joined us from Bonbeach and have been a really great asset to Seaford, in the form of competition and the support they have provided as water safety and patrol members.

We have lots of nippers ready to complete their surf rescue certificates ready for the new season, we are also running alongside a Bronze and Bridging Bronze course, and can confirm the dates below:

**2024 – Proposed Dates for SRC/Bronze Medallion at SLSC**

Hours:

**October**

<b>SUN 20<sup>th</sup></b> Session 1 - 9-4	(start with pre-lim swim)	7 (Bronze & SRC) Introduction
<b>FRI 25<sup>th</sup></b> Session 2 - 6-8		2 (Bronze & SRC) Beach Safety
<b>SAT 26<sup>th</sup></b> Session 3 - 12-4		4 (Bronze only) Radios CPR

**November**

<b>FRI 1<sup>st</sup></b> Session 4 – 6-8		2 (Cup Week) (Bronze only) CPR
<b>FRI 8<sup>th</sup></b> Session 5 – 6-8		2 (Bronze only ) Overview
<b>SUN 10<sup>th</sup></b> Session 6 – 9-4		7 (Bronze only) Secondary Assess.
<b>SAT 16<sup>th</sup></b> Session 7 - 9-1		4 (Bronze & SRC) Wet training
<b>SUN 24<sup>th</sup></b> Session 8 - 9-1		4 (Bronze only) Wet training
<b>SAT 30<sup>th</sup></b> Session 9 9-4		7 (Bronze & SRC) Wet training

**December**

<b>SAT 7<sup>th</sup></b> 9-4 assessment day		7 (Bronze & SRC)
--	--	------------------

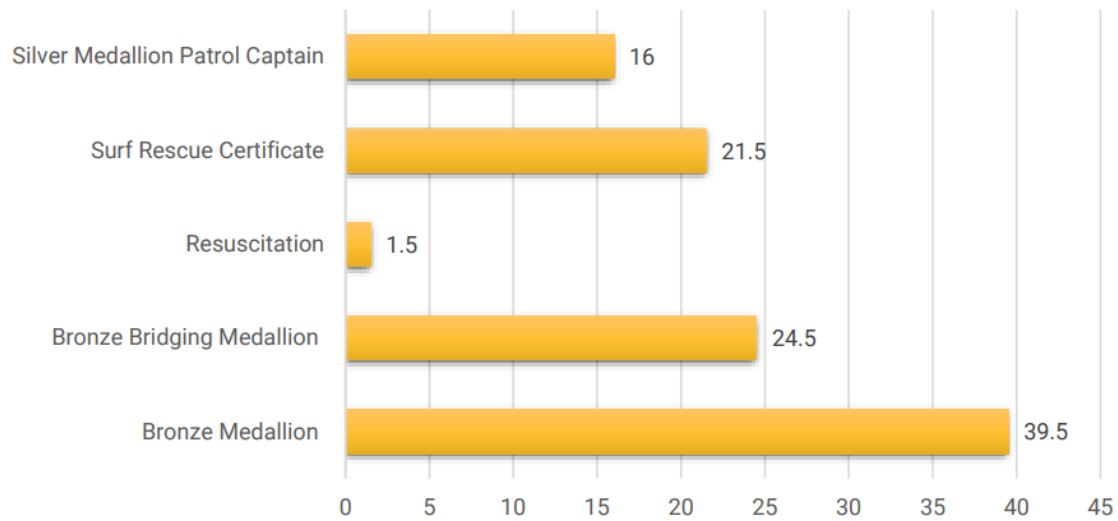

**SRC total Hours = 20 plus 7 on assessment day**

**Bronze total hours = 39 plus 7 on assessment day**

As volunteers we struggle to fit training into our already busy lives, so I want to thank every member for their commitment to the club and their time, which I know, is very precious

A big thank you, as always to Darren, Pete, Justin and Glenn your help and support this season and as you can see from the chart below these are the face-to-face hours each trainer has put into ensuring we deliver the LSV program to our members.

## Summary of Trainer hours

So once again thank you to our members who do an amazing job at SLSC. Your commitment has been amazing. I can't wait to see many more of you in the new season.

Samantha Collins

# JUNIOR OPERATIONS (NIPPERS) REPORT

Steve Pogonowski

We had a fantastic season for 2023/24, with the change from Saturday afternoon to Friday nights making it possible for more Nipper families to join the program.

There were more than 80 Nippers registered at the start of the season, with an increase mainly in the Under 6 and Under 7 groups, and 66 Nippers received their age group's surf rescue certificate for completing all Life Saving Victoria requirements at the end of the season.

Apart from the scheduling change, our expanded coordination team of Jen Arch, Samone Cranston and myself set some main goals of ensuring a good mix of practical and theory sessions; increasing the number of age managers available; encouraging more parent/carer involvement and importantly, not cancelling any sessions if possible.

We were very pleased to meet those goals and it was just as important to see new and returning Nippers enjoying the program, and hopefully coming back next season.

The program was reduced from the previous 15 weeks down to 12 to avoid previous issues with low Nipper and age managers' numbers during school and public holidays, which helped maintain interest and enthusiasm from the group and foster a sense of community. More regular barbecues, icy poles and award giveaways didn't hurt either!

While we had more water safety volunteers than in recent seasons, we were still limited in the number of nippers we could have in the water. We also had to plan use of equipment carefully as we don't have enough boards, flags for multiple groups.

Some difficult weather conditions cut down the number of competition sessions we could hold but the kids all took part in the main competition day and a nipper versus patrol event.

Our age managers and parent helpers provided welcome support over the season, and we can't thank them enough for their involvement. These programs rely on volunteers to be successful and having help every week made the coordination job easier.

We will also continue working on training up new age managers for next season and encourage anyone interested in supporting the program to contact the club.

The presentation night, held at Seaford Primary, was a great celebration of a successful season and the friendships made by kids and parents over that time.

We're looking forward to another big season in 2024/25 and can't wait to see you on the beach.

Steve Pogonowski  
Junior Operations Manager

# 2023-2024 JUNIOR AWARD RECIPIENTS

U6 Competition:

U6 Age Manager award:

Hunter Mayers / Oliver Murnane & Tully Archer.

Luca Sajenko / George Hayes.

U7 Competition:

U7 Age Manager award:

Caleb Blagojevic / Reeve Christensen.

Lucas Delahoy / Edie Burnside.

U8 Competition:

U8 Age Manager award:

Vivienne Smith / Coen Wilson.

Coen Wilson / Lily Hayes.

U9 Competition:

U9 Age Manager award:

Elsie Arch / Maccie Wilson / Lenny Stokes.

Jayden Chircu Cunnington / Stella Holden.

U10-14 Competition:

U10-14 Age Manager award:

Alisa Pazokian / Rhys Azzopardi.

Bella Neufeld / Atticus White.

Parent helper of the year:

Adrian Blond

Age Manager of the year:

Mark Touissaint.

Newcomer award:

Chloe Challman.

Appreciation award:

Peter Stones.

Photography assistant of the year:

Ailsa Pogonowski

Junior Coordinators award:

Alisa Pazokian.

Competition person of the year:

Rhys Azzopardi.

Outstanding Junior member U6-9:

Leo Wallis.

Seaford RSL Junior member U10-14:

Paige Boreham.

# MEMBERSHIP REPORT

Lisa Hoysted

This was my first year as a member of the Seaford Life Saving Club Board member and I took over the role as membership manager from Scott Collins who had held the role for many years.

Well to say I would hit the ground running, that would be correct! I sat down with Scott, and he explained the Surf guard system to me and how memberships worked and then we opened the season for 2023/24 nippers and Wow was I busy!

We started to get a feel for the season during the Open Day session that we ran at the club in August 2023, where I spent the day answering many questions and enquiries from mainly new families interested in joining the nipper program.

We were able to gauge from this day & other feedback that a Friday night might be the night to successfully run the program in 23/24. And this is the Night we successfully trialed for season 23/24.

From when we opened the memberships applications in early September, we were inundated with new applications for the nipper program especially in the U/6, U/7, U/8 age groups & had to maintain a spreadsheet on the steady flow of numbers of existing and new memberships coming in.

Learning the membership system became easier as I tackled the stream of applications coming through and I would like to thank all of the many new families with their patience with me especially in supplying their Working with Children Checks!

Eventually we did have to put a hold on accepting any new memberships and opened up a wait list system for season 24/25.

Overall, in season 23/24 we had – 88 Family Groups at Seaford Life Saving Club consisting of 40 active patrolling members (both SRC and bronze members), 90 nippers ranging ages from u/6 up to u/13 age groups. There were many new Nipper families this year, I am hoping I see you all renew your memberships for Season 24/25.

A very successful season was had in 23/24 in terms of membership, and I will be back again next season to do it all again.

# MEDIA & COMMUNICATIONS REPORT

Sheila Savage

It is with pleasure that I present this year's report from the perspective of media & communications of our amazing club.

What a season we had presented with amazing weather conditions with no disruptions to the nipper's season and minimal effects on the patrol seasons so overall the season was well received by our members and was captured with **39,471** photos being taken this season with pictures from Aussies IRB to be added.

**18,363** of those are of our fantastic and energetic Nippers including each week's program of activities, prelim swims, Anzac Day march, New Bronze & SRC awards, nipper's presentation that was held at Seaford Primary School and the patrol awards held in the community room of our club.

**21108** of those are of the IRB racing team now incorporating Seaford, Frankston & Aspendale LSC's ... training, and racing competitions at Ocean Grove, Hampton, Anglesea & Lorne (x2).

These pictures are utilised on our club Facebook pages, some to the public pages as well as to Instagram. We also use them as advertising including short videos for our club and some have also been used by local politicians.

This collaboration of photos would not have been possible if not for the involvement of all members of our club in some way: the patrol teams, parents, & nippers... without you we have nothing to capture.

We as a club are conscious of the privacy & confidentiality of our members, with special mention on our posts requesting not sharing of our pictures on other sites without permission especially for the junior members and we will continue to ensure the safety and privacy of all.

I would like to thank all those that stepped up and grabbed one of my spare cameras again this year and assisted in capturing all of these pictures, again without this support we would not have this record.

Looking forward to another spectacular season 2024/25.

See you on the beach.

Sheila
