# Seaford LSC - Strategic Plan

MISSION	To prevent aquatic related death and injury within our community	
VISION	That all Victorians will enjoy our aquatic environment through learning water safety, swimming and resuscitation.	
WHY:	<p>We work to educate our community to be safe around water. We provide services to prevent people drowning or getting injured.</p> <p>WHO: We are a family orientated club that is open, welcoming and inclusive. We are trained and qualified. We are a club that focuses on the safety of our members and of our community. We operate under State and National standards and guidelines. We provide opportunities for our members to maintain or further develop their health and fitness. We provide a program that teaches skills in lifesaving and teamwork We recognise, reward and provide development opportunities for our members</p>	<p>CULTURE:</p> <p><i>Dignity and respect are crucial to building and sustaining an environment in which everyone feels included valued and appreciated. Sometimes it's the smallest things that have the biggest impact.</i></p>

HOW:				
Lifesaving Services	Education and Training	Junior Development	Competition	Club Management
<ul style="list-style-type: none"> <li>Rescue Ready</li> <li>Promotion of a 'Preventative Culture'</li> <li>Latest gear and equipment</li> <li>Provide a lifesaving service that meets community needs and expectation</li> <li>Skills and experience</li> </ul>	<ul style="list-style-type: none"> <li>Provide and promote opportunities and pathways in lifesaving to encourage, motivate and retain our members</li> <li>Provide ongoing leadership opportunities</li> <li>Provide efficient, relevant and flexible learning opportunities</li> </ul>	<ul style="list-style-type: none"> <li>Structured team of leaders that contribute to the running of the junior program</li> <li>Well-developed lesson plans</li> <li>Actual retention of juniors through the program into the lifesaving pathway</li> </ul>	<ul style="list-style-type: none"> <li>Offer a range of innovative and responsive aquatic sport programs that promote participation and increase capability</li> </ul>	<ul style="list-style-type: none"> <li>Protect, manage and promote the lifesaving brand to drive internal and external support.</li> <li>Provide a well-managed viable and financially secure club</li> <li>Good governance and risk management</li> <li>Clear succession planning</li> </ul>

# PRESIDENTS REPORT

Welcome to the 2019 – 2020 Annual Report.

Congratulations to all our members who were involved in making the 2019-2020 season a great one for our lifesaving club.

What an amazingly unusual season we were faced with ... weather, smoke, fire and Coronavirus – I've been in lifesaving for a long time, I've never faced what we have had to endure this season/year.

My particular thanks to the Board of Management, and all those who have contributed their time and dedication to ensure that our club continues to go from strength to strength.

Thanks to Justin Taylor and **ALL** of our patrolling Lifesavers; thank you to Berny King and the training team; well done to the members that completed additional awards; congratulations to all the new patrolling members, and our water safety officers on receiving your Life Saving awards.

Thank you to everyone involved this season's nipper program. Well done to Jackie and the entire Nippers team; all age group managers and helpers who assisted with making our nipper program so successful again this year, albeit very interrupted.

Thank you to Sharon Smith for looking after the Club merchandise role. Thank you to Sheila and her team for all the amazing photos - we all look forward to seeing the weekly snaps - such a great record of the season.

With the season ending abruptly due to the coronavirus, we were forced to put the end of season functions on hold. Once we know what we can do (and when), we will hold our presentations, celebrate the achievements of last season and welcome the current season!!

The club is most grateful to all our sponsors, supporters and the State and Federal Governments.

Don't forget to keep an eye on your emails for the Club newsletters, our website ([www.seafordlsc.com.au](http://www.seafordlsc.com.au)) and our social media pages for all the latest information.

Look forward to seeing you all in the coming season – *whatever it may look like !!*

Darren McLeod

# VICE PRESIDENT / CLUB & MEMBER DEVELOPMENT REPORT

It is with pleasure I present this Vice President / Member Development Report for inclusion in the SLSC 2020 annual report.

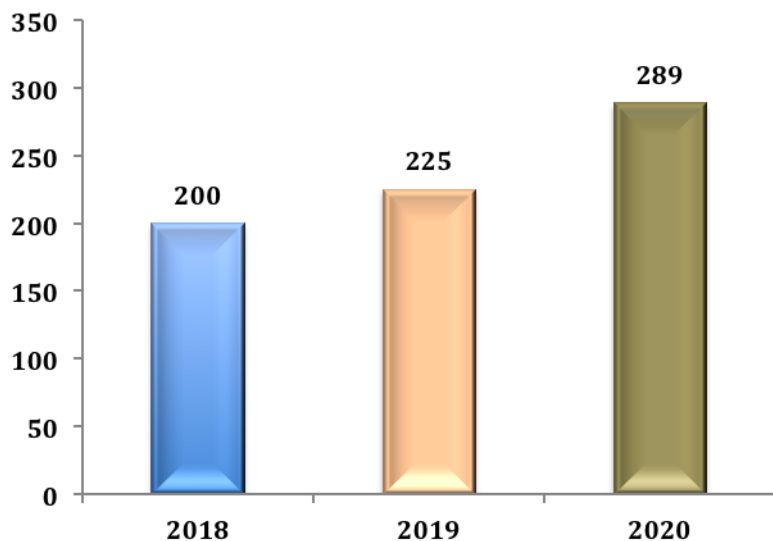

It is an honor to reside on the board of the Seaford Life Saving club and help provide an inclusive, safe, enjoyable and active club that provides many benefits to society and our local community.

Namely our core duty “to prevent aquatic drowning’s”

Other valuable benefits include (but not limited to):-

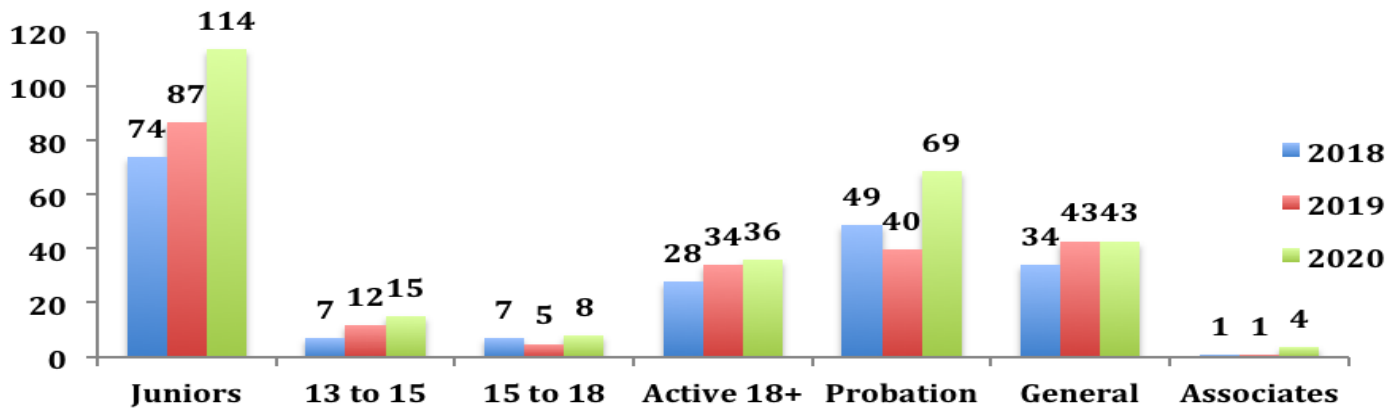

- Self Development of membership.
- Surf and Water skills to our nippers and patrolling members.
- Active exercise and sport opportunities for Junior and senior members.

The 2019/20 Season was another strong year with continued year on year growth. We had a solid 28% increase in total membership numbers.

Once again the main increase in membership came from our juniors with an 31% increase in numbers from 87 to 114. This includes some of our age groups reaching their maximum capacity. The drive for more age managers and helpers will ensure new members are provided the opportunity to join our great club.

Below is a detailed break up of the membership categories compared with the prior 2 years.

It was great to see lots of new families joining our great club with new nippers. This brought a lot of new energy to the club as well as new friends. It would also be fair to say this placed a strain on the new membership process including working with children checks and the like. We got there in the end and from my perspective would like to thank everyone for your assistance and patience during this process.

Other positives from a membership perspective include the continued increase in the 13 to 15 and 15 to 18 age groups, these young members are now patrolling as SRC and Bronze members and having a real impact on our patrol groups.

Our patrol teams are healthier than they ever have been with close to 10 members in each of the four teams.

The family bonded club continues to see members move from 5-year-old nippers through to active patrol members.

The morale and spirit of the club is alive and healthy.

My aim as we move into 2020/21 season is to ensure all our members have opportunities to grow and develop within the lifesaving environment.

I would like to thank all board members, nippers, nipper parents, SRC's, patrol members and general members for their assistance and support.

Best Regards

Glenn Watson  
Vice President / Membership Development Manager

# FINANCE REPORT

It is with pleasure that I present the attached “Not for Profit – Association Report” for Seaford Life Saving Club.

Full year results as per appendix A.

Sincerely,

Karyn Harvey  
Finance Manager

# *LIFESAVING OPERATIONS REPORT*

Ladies and Gentlemen, it is with pleasure that I present the Life Saving Operations Report, as Lifesaving Operations Manager for Seaford Life Saving Club.

Our patrol season has concluded and what a strange year it was, with bushfires and the current coronavirus pandemic in play.

The past season has shown continued growth with meeting our patrol obligations. Lifesaving Operations is responsible to ensure the club fulfills the State based "Patrol Protocol". We must reach minimum requirement and adhere to all Regulations, Standard Operating Procedures (SOP) and Occupational Health and Safety (OHS) requirements.

We had a successful patrol season and met our commitments to Life Saving Victoria (LSV). However, we still have the challenge to increase our patrol numbers and key awards to help spread the load across our valued volunteer base.

I would like to thank all our volunteers (and family support) that helped us keep Seaford beach safer by offering time to patrol, every patrol hour helps and is appreciated.

## **Patrol Outcomes/Achievements:**

- 1724 volunteer patrol hours
- Full patrols strength ~95% (98% last season)
- Additional Patrols provided as requested by LSV
  - o Friday 13<sup>th</sup> December
  - o Friday 20<sup>th</sup> December
  - o Monday 30<sup>th</sup> December
- 5 rescues recorded (2 x board, 3 x IRB), goal is prevention
- Beach attendance ~10,743 (during patrol times)
- 20 first aid cases
- 246 preventive actions
- Patrol Audits
  - o 1000/1000 Team "A"
  - o 980/1000 Team "D"

## **Patrol members with >100 patrol hrs**

- Peter Stones and Michael Jacobsen

## **Outstanding patrols hrs recognition: (>50hrs), not in order of hrs:**

- Annika Mitchel, Craig Goudy, Jessica Jacobsen, Shirley Stringer, Justin Taylor

**Patrol Captains:**

In order to help manage our patrol obligations and standards, I would like to thank our Patrol Captains: Glenn Watson, Craig Goudy (Nicky Berg/Berny King) and Lisa Burton. Our vice captains, Lisa Hoysted, Sam Collins, Richard and Karyn Harvey, Stuart Kennedy, Scott Collins and Michael Jacobsen.

Outstanding effort and a huge thank you to all.

**Operations support roles:**

- Lisa Hoysted, thank you looking after our first aid and general patrol equipment and for assisting with the entry off patrol hrs in Surfguard
- Richard Harvey, thank you for overseeing IRB equipment and ATV needs

**Patrol Awards:**

Are planned to be presented during a Pre-Season gathering, pending state restrictions.

- Seaford LSC "Patrol Encouragement"
- SEBA "Senior Encouragement award"
- Ron Andrews "Best 1st year lifesaver"
- Seaford Trophy "Outstanding Contribution to Patrol/lifesaving over the season"
- Ray Flack "outstanding contribution to patrols" or "TEAM of the Year"

**Patrol Equipment:**

- Replacement of ATV (at no cost to club)
- Motor racks x 2 (thanks Kyle Watson for coordinating)
- 2 rescue boards

Our goal is to continue growing the patrol base and encourage new awards to be completed to ensure patrol groups become self-sufficient. The off season is generally when new awards are obtained, so if interested in expanding your award portfolio please contact Berny or your patrol captain.

IRB racing was cancelled this season due to the coronavirus, but pleased to have the following members gain their awards to join the team, Peter Stones, Annika Mitchel, Emily Hoysted, Nicole Evans (possible first female team). Keep an eye out for the next round of courses to prepare for next year.

Thank you to the Seaford LSC board of management with your commitment to our patrol obligations and the support shown by agreeing to provide and maintain quality lifesaving rescue ready equipment.

**My personal thanks goes out to everyone that has provided their voluntary time (and family support) to make Seaford Lifesaving Club what it is today.**

Regards,  
Justin Taylor

# EDUCATION & TRAINING REPORT

The 2019/20 season at Seaford Life Saving Club saw seven new Bronzies and four new IRB Crew members qualify, all learning new skills, achieving goals and boosting Patrol numbers. Of our new Bronze Medallion holders, there were five moving onwards and upwards from the Surf Rescue Certificate – well done Peter, Merrick, Emily, Annika and Scott; Sherrie adding to her achievements as an existing Age Manager and brand new member and Nipper parent Nicole, wanting to be involved in as much as possible at the Club. Peter, Emily, Annika and Nicole then went on to complete their training on the IRB Crew course. Congratulations to you all!

Other members were also making time to train and qualify for different awards including First Aid, Advanced Resuscitation Techniques, Age Manager, Age Manager Course Presenters Award, Inclusive Beaches, Safeguarding Children and Young People Awareness and Development Coach. Well done everyone.

As has become tradition, we once again ran our own Skills Maintenance sessions which saw members from both our Club and others from the Kingston District renew their Life Saving qualifications. The weather is not always kind on these occasions but thanks to everyone's flexibility we got there in the end.

As always, huge thanks to all members who find and give time out of already busy lives to both train and volunteer to improve and help the Club and community in so many ways – your dedication, willingness and contribution cannot be valued enough. Much thanks also to fellow Trainers Glenn, Justin, Gaye, Darren and Jac for your work and support this last season – you really are a wonderful team.

Special mentions to:

- Annika – didn't you used to be allergic to sea water? Look at you now!
- Nicole – for throwing yourself right in! (literally)
- All the SRCs moving up to Bronze – that's commitment
- Sherrie for getting out of your comfort zone and being determined to see it through – you did it!

Looking forward to the next season – however it looks:/ Until then, keep safe!

Berny King

# FUNDRAISING & SPONSORSHIP REPORT

## FUNDRAISING

Unfortunately, due the current pandemic there really isn't any fundraising activities to be reported.

### Tin Shakes

Our Tin shakes are very successful and last year we raised over \$5,000 so we were definitely going to have Tin shakes this year. I'm very aware it's the same people that but their hands up each time, so I chose to split this year's tin shakes to have one at the end of the season and one at the beginning of next season so we could entice new members to help out and not have them so close together.

### Grill'd

We are due to receive \$100 from our Grill'd application for our first aid room

### Online Auction

This was a great event last year and I had hoped to run again this year. Due to the current pandemic I didn't think it was appropriate to ask local businesses to support us when they had been forced to close because of COVID restrictions.

### Collection Tin

A member informed me that we had a collection Tin at a pet shop on Hartnett Drive and it had been there for several years. I collected it and there was \$13.70 inside.

Let's hope 2021 can be a successful year for the club and fundraising.

All the best

**Jane Packer**  
**Fundraising and Sponsorship Manager**

# COMPETITION AND SPORTS REPORT

This competition report is proudly prepared and present by the Seaford Board of Management.

For the majority of the 2019/20 season the club operated without an official Competition Manager, this is a key role and one we are looking to fill urgently to ensure our junior and senior members have as many competition opportunities as possible.

If you are interested in this role please feel free to put your hand up and speak with a current board member.

The board would like to thank those nipper age managers, helpers and parents who assisted with external carnivals in the absence of a competition manager.

I would like to thank nipper parents, competitors and officials for their assistance and support. The club continues with the building phase that see's numbers in all age groups going up and down, it is great to see nippers turning into SRC members, and then fully qualified bronze members. I am looking forward to the continued development of competition options within the club.

Special mention goes to officials, team managers and parents that make carnivals and training possible. This assistance has included water safety, team management and general assistance with logistics and coordination on the day.

Once again these events could not run without your assistance and it is very much appreciated.

This season continued to see a nervous reluctance to attend official LSV carnivals. We will continue to assess and address this within the club.

In general the scale of the LSV carnivals potentially overwhelms our junior members, for this reason we have been pushing for more local friendly carnivals via the either interclub friendly's or the SEBA frame work (South Eastern Beaches Association)

We did however attend a Frankston friendly carnival on a Friday night that was enjoyed by all who attended. They performed and conducted themselves in the best possible way. Good results, good **sportsmanship** and great smiles.

This season we continued to take learning's from previous seasons and setup normal nippers training with correct course distances. Thank you to Jackie and the team for the successful adjustments.

A photo says it all, we are very proud of how our nippers demonstrate great compassion and sportsmanship.

For the 2019/20 season we continued with a single round championship day. This day was a great success and was combined with round 3 of the nipper's championship. The combination of juniors and seniors (and parents) made for a real club carnival day that was enjoyed by all.

We are also pleased to see the annual around the pier swim grow with each year.

Due to the COVID-19 pandemic all IRB racing for the season was cancelled.  
This was a devastating blow for the combined Frankston/Seaford IRB competition team.

We are now looking forward to the next season

As our carnival participation numbers grow over the next couple of seasons, so will our volunteer numbers in key roles need to grow including the below.

- Team managers on the day of competition
- Water safety volunteers
- Junior officials

Best Regards  
Glenn Watson  
On Behalf of the BOM

# JUNIOR OPERATIONS REPORT

Planning for Nippers was well underway before the summer of 2019. We were gathering Age Managers and recruiting new ones, making a start on Preliminary Swim Assessments, setting season dates, looking at new ways to engage our Nippers and generally getting the word out into our community about just how fun Nippers at Seaford LSC is !

We had a flood of membership applications which saw us having to put a limit on how many Nippers we could take on for the coming season. A great problem to have! We had a total of 84 Nippers for the season. Our younger age groups were full. This gives us great hope in the future of our club for progression through its ranks for our Nippers to study and train to qualify as Patrol Members.

The Seaford RSL again offered a Sporting Scholarship to Nippers that may need a little extra support to access community sporting activities. We had 18 Nippers granted the scholarship and this provided financial support for their club membership and a bit extra to help with purchasing beach equipment like a beach towel, goggles, sun hat and sunscreen. We hope to have this wonderful act of generosity from the Seaford RSL again to our club in the 2020/21 season.

Our Starfish Nipper program was on the beach again in 2019/20. A wonderful way to support Nippers of all abilities to be included in a program that teaches valuable life lessons in what can be some very challenging situations. I was told how our Starfish Nipper used his knowledge of CPR he learnt at our Nippers during a real-life emergency.

---

Our first week kicked off on Saturday 7<sup>th</sup> December 2019. The session was full of new faces, both Nippers and their parents. The Community Room was full of excitement, nerves, sunscreen and rashies. Our new Nippers were decked out in our new design Nippers rashies in fluoro green, purchased from RipCurl.

---

On Saturday 11<sup>th</sup> January, our Nippers were treated to a presentation from Bin Not Bay:

*Bin Not Bay, as part of Marine Mammal Foundation's Marine Environment Litter Program, is designed to inspire appreciation of Port Phillip Bay's amazing marine biodiversity, while highlighting the impact of our litter to encourage action and create long-lasting behaviour change to protect our unique marine life, including the amazing Burrunan dolphin.*

It was a great to see the Nippers get into the action by putting on their gloves, grabbing a bag and heading to the beach to collect rubbish! It was a valuable program that offered insight into our bay that not a lot of us previously knew about.

---

Mother nature certainly threw some interesting weather at us over the planned 13 week program! We had gale force winds, thunder/lightening/sideways rain, poor water quality and poor air quality to contend with.

---

We managed to squeeze in 2 in-house competition weeks, just enough data to award Age Group Competition winners. These were Round 1 on 8<sup>th</sup> February and Round 2 on 29<sup>th</sup> February 2020. The winners will be announced at a time that we can celebrate Nipper achievement and hand out trophies.

Our club and community lost a wonderful volunteer in February 2020 in Peter Phillips. Peter was one of our treasured Age Managers, taking on the youngest group (Under 6/7) to be with his son. His daughter was in an older age group and Pete had supported her through the age groups. His wife supported him and their children by being on the beach as an Age Group helper. The club will be honouring his memory by awarding 'The Peter Phillips Award' at the 2019/20 Junior Presentations for the 'best first year' Nipper.

---

Our final Nippers session was Saturday 14<sup>th</sup> March with a fun day on the beach alongside the Patrol Challenge with events including Tug-o-War and the annual Swim Around the Pier. It was wonderful to see some of our more experienced Nippers participate in the Swim Around the Pier. It gave our Nippers a chance to rub shoulders with the uniformed Patrol members, and for our Patrol members to show off their skills!

Our season came to an abrupt end due to Covid-19 and our annual end of season presentation was put on hold. But please don't think that it has been forgotten! The spread sheets have been tallied and our Award recipients noted, with medals in the process of being made and a plan to celebrate 'the season that was' when it is safe to do so.

We do not yet know how the coming season will look, but you can be confident that we are working through plans A to Z to get our Nippers back on the sand. Keep a look out for when our membership application process opens up again and get your paperwork sorted early!

I am personally so very grateful for all the members that put up their hand to help.

- 🙏 Nippers
- 🙏 Beach Set up
- 🙏 Age Managers/Starfish Age Manager
- 🙏 Parent Helpers
- 🙏 Water Safety coordinator/volunteers
- 🙏 Patrol members
- 🙏 Merchandise coordinator
- 🙏 Photographers
- 🙏 BBQ'ers
- 🙏 First Aiders
- 🙏 Parents/guardians, for getting your Nippers to our club
- 🙏 Seaford LSC Board of Management

I am looking forward to another season with Seaford LSC!

Thank you  
Jackie Goudy  
Junior Coordinator - Seaford LSC

# MERCHANDISE / SECRETARY REPORT

## Duties :

**Mail:** All mail collected and distributed accordingly throughout 19/20 season. Restriction with access to the Club since March due to Covid-19 so Mail collection with me until access granted again.

**BOM Meeting Minutes:** All recorded and distributed to the BOM each month

- **Merchandise:**
- Hoodies Sold 13
- Long sleeve tops Sold 20
- T-shirts Sold 12
- ¼ Caps Sold 32
- Rashies Sold 32 (28 inc membership fees/4 replacement purchase)

Introduced Navy items for long sleeve tops & t-shirts. Well received. Both white & navy now available.

## **BBQ:**

Each week we supply - Meat/bread/fruit/sauces/serviettes/oil/gloves/gas

*Noting the hamburgers sold each week were donated to club from member Jackie Russo.*

With this generous weekly donation, we just break even.

## **Lanyards:**

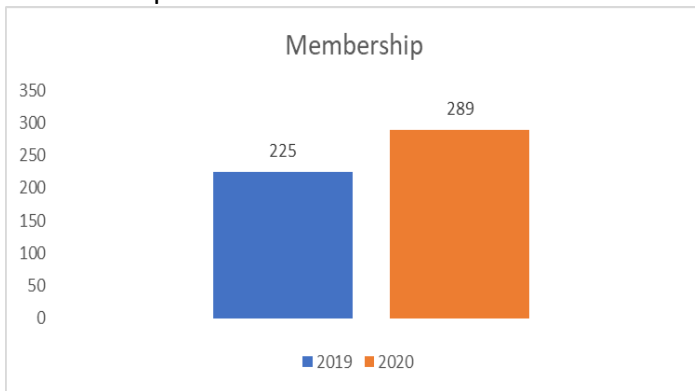

- Lanyards distributed weekly as membership approvals were supplied

Regards  
Sharon Smith

# MEMBERSHIP REPORT

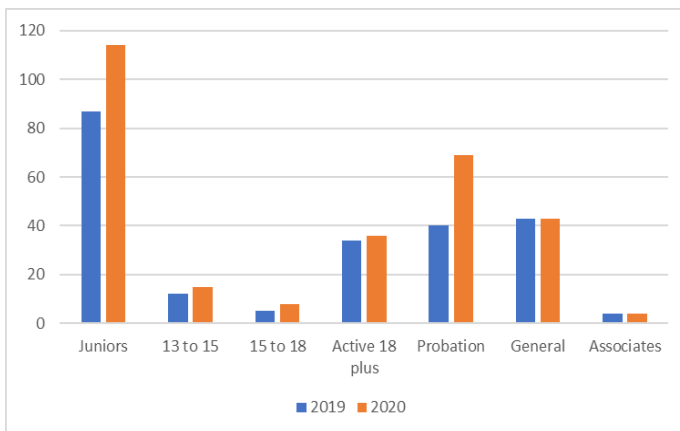

The 2019/20 season was a strong one for the club with a 28% increase in total membership numbers.

The season saw a lot of new families join our club with new nippers. This was helped by a successful 'Open Day' run by the club to showcase the club's facilities to prospective members.

In fact, due to the large demand for nippers spots most of our age groups reached their maximum capacity. A cap was put on further nipper registrations to ensure that the nippers program had the appropriate level of support and was both safe and enjoyable. Maximising the number of age managers and helpers we have will ensure we can offer the Nippers program to the greatest number of children.

Below is a detailed breakdown of the membership categories compared with the prior year.

Although the season was interrupted it was great to see so many new families joining the club and enjoying the beach. We are currently considering ways of how we can make the membership registration process clearer.

Regards

Scott Collins  
Membership Manager

# ***SOCIAL AND EVENTS REPORT***

## **Events**

The 2019-2020 year has been a challenging time for many and has meant a decrease in our social activities both through the club and in our wider interactions. Looking forward to the season ahead and coming back together to promote some more events and social aspects to our club.

## **End of season celebrations**

Our usual end of season celebrations and presentations for both the Juniors and Seniors have had to be delayed due to the current pandemic and state government restrictions. The junior event was due to be held in March at Gravity Zone and is intended to proceed as a start of season function for the 2020/2021 season. With the uncertain nature of the pandemic and subsequent restrictions both the Junior and Senior presentation dates will be confirmed when practically possible.

## **Open Day**

We held an open day prior to the commencement of the 2019/2020 nippers season with the support of the entire board of management. This was a well-attended event that allowed new families to the club to initiate their membership process and learn more about the Seaford Life Saving Club. It's unclear at this point in time if an open day will be able to progress for the 2020-2021 season.

Looking forward to the season ahead and seeing you out on the beach soon.

All the best

**Rachael Meredith**  
**Social and Events Manager**
